ATT00001.txt

Joel,  
Thanks so much for this link—it is an excellent article, which is what I've come to expect as a 24-year-subscriber to High Country News. Anybody who studies and/or teaches about the American West should read it every week!

Best,

Tim

**Dear All,**

**Below is a link to an journalistic piece on the Animas River spill that, at least in my opinion, does a fine job of putting the incident in perspective. I am indebted to our colleague Cliff Villa for sending this link my way.**

**Best,  
Joel**
